In light of Virginia's new law which states, NO DEER can come into the state unless the head is skinned out, we have been holding classes at Norton Taxidermy. All of the individuals listed on this panel have taken our class, are properly trained and are ready to prepare your deer for transportation into the state of Virginia. THANK YOU for being patient and helping us put Chronic Wasting Disease behind us.

The following individuals are ready to cape your deer heads out:
